Aurora Parts and Accessories (“Aurora”) is the leading U.S. distributor of aftermarket parts and accessories for over-the-road semi-trailers. The Company offers the most complete line of branded and private label parts in the industry, maintaining a comprehensive inventory to serve all makes and models of trailer. Aurora has a national network of customers, and services these 500+ independently-owned trailer dealers, repair shops and national fleets through a 300,000 square foot distribution center. The Company’s dealer network provides the largest footprint in the industry, and these customers are supported by Aurora’s industry-leading technology platform.
