Fire & Life Safety America (“FLSA” or the “Company”), founded in 1997 and headquartered in Richmond, VA, is one of the nation's largest providers of fire and life safety system inspection, maintenance, repair and installation services. FLSA serves a diverse base of recurring inspection and monitoring accounts and has been recognized in the fire and life safety industry for maintaining excellence through rapid growth and development. FLSA services customers from fifteen branch locations in the mid-Atlantic and southeastern United States, as well as an established national partner network. With over 20 years of knowledge and expertise, FLSA offers its customers a comprehensive suite of service capabilities for fire systems and products, including fire alarms, sprinkler systems, fire pumps, pipe/hose systems, fire extinguishers, kitchen hood suppression and emergency and exit signs. The Company's services are each performed in accordance with federal, state and local mandates.
