Vapor Systems Technologies, Inc. ("VST") is a premier designer and manufacturer of vapor recovery and fuel dispensing solutions for gasoline dispensing facilities. Founded in 1990 and headquartered in Springboro, Ohio, VST operates at the forefront of the retail fuel dispensing industry, thanks to innovative technologies that simultaneously address evolving regulatory demands, reduce environmental impact, and save operators money.

Five Points Capital provided debt and equity co-investment to support the acquisition of VST by Ancor Capital Partners. Five Points Capital's investment in VST aligns with our 28+ year history of providing flexible debt and equity capital solutions for the lower middle market and continuing our commitment to serving the capital needs of sponsors and management teams. The Five Points Capital deal team was led by Jonathan Blanco, Jason Prather, and Brad Stone.
