Five Points CAPITAL

April 2019

Five Points Capital provided unitranche debt and an equity coinvestment to support the acquisition of SignatureMD by Blue Sea Capital.

Headquartered in Marina Del Rey, CA, SignatureMD is a leader in membership-based healthcare, providing initial conversion and ongoing support services for physicians shifting from traditional medical practices to concierge medicine. Founded in 2006, SignatureMD is one of the nation's largest providers of support services to concierge medicine physicians, with an expanding network of well over 100 affiliated primary care physicians and specialists serving nearly 25,000 members across 28 states.
