Headquartered in Raleigh, NC, Workplace Options (“WPO”) is a provider of Employee Assistance Programs (“EAPs”) and employee assistance services to businesses, institutions, and governmental entities across the globe. WPO designs EAPs and provides clinical and non-clinical services for employees of client firms concerning mental health, child care, elderly care, and other work-life products. WPO’s services add value for both end customers and employees by helping to keep employees focused on their jobs, minimizing non-work related issues that are likely to cause missed time at work or decreased work productivity.
