

Five Points

CAPITAL

NOVEMBER
2018

Five Points Capital provided unitranche debt and equity co-investment to support the merger of E3 Federal Solutions with The Sentinel Company, a New Springs Holding portfolio company.

E3/Sentinel is a mission-focused services and solutions company headquartered in Mc. Lean, VA. Working together as a combined entity, E3 draws upon long histories of consistent growth and high performance in the federal services market. E3/Sentinel will have offerings including mission consulting, information technology, program management, systems engineering and technical services, supporting several domains including DoD, intelligence, Homeland/National Security and other federal civilian agencies.
