corsica technologies

UNITRANCHE DEBT & EQUITY

PROVIDED BY

FIVE POINTS CAPITAL

Corsica Technologies ("Corsica") is a managed service provider ("MSP") offering centralized outsourced computer support, managed services, IT consulting, network support, and cybersecurity services. Corsica also resells third party hardware and software to provide a one-stop IT experience for customers. Corsica serves small and medium sized businesses from New York to Georgia across a diverse set of industries, targeting customers with 15–250 end users.

Five Points Capital provided unitranche debt and an equity co-investment to support the acquisition of EDTS, LLC by Corsica, an Inverness Graham Investments portfolio company.
