Founded in 1948 in Azusa, CA, Westwood Labs, Inc. ("Westwood" or the "Company") provides a full-service contract manufacturer offering including formulation design, research & development, compounding, filling, packaging and overwrapping/bagging. The company serves a diverse group of established consumer brands in addition to fast-growing emerging brands. Westwood specializes in liquids, creams, gels and pastes that are packaged in a variety of formats.

Five Points Capital ("Five Points") provided unitranche debt and equity co-investment to support Sole Source Capital's acquisition of Westwood.
