ToxStrategies, Inc. ("ToxStrategies") is a multidisciplinary scientific consulting firm specializing in toxicology, epidemiology, exposure sciences, industrial hygiene and safety, and regulatory compliance. They are a cutting-edge firm that strives to develop innovative solutions to address the complex scientific, technical, and regulatory challenges confronting their clients. The ToxStrategies' team of toxicologists, epidemiologists, industrial hygienists, engineers, exposure scientists, modelers, biostatisticians, information specialists, and regulatory specialists are recognized as leaders in their respective disciplines and bring a high level of technical expertise to every project. ToxStrategies has extensive experience assessing potential health risks associated with exposures to a wide variety of consumer products, food ingredients and additives, pharmaceuticals, medical devices, pesticides, industrial chemicals and environmental contaminants. ToxStrategies is headquartered in Texas and has offices and remote consultants throughout the US, Canada and England.

Five Points Capital ("Five Points") provided debt and equity co-investment to support the acquisition of ToxStrateies by Renovus Capital Partners.
