

Five Points

CAPITAL

OCTOBER
2023

Five Points Capital is excited to welcome Ben Roberts as our Investor Relations Associate. Ben joins us from Plexus Capital in Raleigh, NC, where he led the portfolio oversight team in performing risk management, valuations, and portfolio company and fund level reporting. Ben will support the Managing Partners in leading investor relations and fundraising initiatives at Five Points. The addition of Ben to the team enhances our investor services function as Ben brings a wealth of experience in lower middle market portfolio analysis and management. Ben will have an integral role as we launch our upcoming Fund V in 2024. We look forward to introducing him to our partners at our Limited Partners Annual Meeting next month.

WELCOME TO
THE TEAM!
